The Department funded this report for Work and Pensions, and HM Treasury through the Evidence-Based Policy Fund. We thank them for this support.

We express our thanks to Isobel Hines, who was our main contact within the Department. The analysis benefited from comments with an initial meeting with Government analysts, and questions and comments at an initial presentation of findings to a range of DWP staff, and those from other Government Departments.

The BHPS data used in this report were made available through the ESRC Data Archive. The data were originally collected by the ESRC Research Centre on Micro-social Change at the University of Essex (now incorporated within the Institute for Social and Economic Research). Neither the original collectors of the data nor the Archive bear any responsibility for the analyses presented here.
