

# The Authors

**Andreas Cebulla** is a Senior Research Fellow and Assistant Director at the Centre for Research in Social Policy. His research interests include European social policy, the study of risk, and the evaluation and meta-evaluation of welfare-to-work programmes.

**Sandra Reyes De-Beaman** joined CRSP in February 2003 as a Research Fellow from the University of Leicester. Previously, she led the research unit on ageing at the Mexican Institute of Social Security. Her main interests are the economic and policy implications of the population ageing process.

## Survey design undertaken by BMRB

**Sarah Wands** is an Associate Director at BMRB Social Research.

**Catherine Grant** is a Senior Research Executive at BMRB Social Research.

**Keith Bolling** is a Senior Associate Director at BMRB Social Research and the lead member of the team involved in the survey design.
